

Feedback

Jennifer Rock from New York

»I like how this program really immerses you in the German culture and life. Outside of the classroom I enjoyed the company tours of the varying businesses. You get so much more than just a classroom experience. It was by far the best class I have taken. Future stu-

dents should take this course because of the experience and amount of knowledge acquired within just two weeks.«

Alrick Russell from New York

»The International Summer School 2016 program at Fachhochschule Südwestfalen exceeded my highest expectations! I owe an incredible debt of gratitude to all the Fachhochschule professors and student leaders who participated in exposing our diverse NYIT contingent to a broad cross section of Germany-related topics, issues, and insights. This exceptional program provided me a unique opportunity to not only realize a life-long dream of immersing myself in German culture, but it also acquainted me with leading German companies and institutions. Although the time my study abroad colleagues and I spent in Soest was limited, the experiences and memories we shared will last us a lifetime.«

Room & Board

Room

In Soest you will be provided with an accommodation in spacious double rooms. In Berlin we provide an accommodation in a hotel in double rooms as well. Single rooms are available upon request (additional charges apply).

Board

Breakfast is included in the program fee. Lunch is served at the university cafeteria. You can choose between five different dishes including vegetarian or vegan meal (2 – 5€). For dining you may choose a restaurant in town for an additional fee.

12th International Summer School Soest (ISS)

August 10th – August 24th, 2024
The German economy, culture and more ...

Greetings

The two-week program (August 10th till August 24th, 2024) offers a variety of lectures and workshops with a special focus on the German and European economies. Our summer school also offers an excellent opportunity to study German science and culture. In addition, you will gain international educational experiences.

We offer a mixture of high quality lectures (about 40 h), company visits and city tours. Additionally, we organize evening activities with our international students from campus.

We have a learning agreement with SCSU which allows you to earn credits at your home university. Please contact Prof. Muthuraj for more details.

We hope to welcome you in Soest in August 2024!

Prof. Dr. Dina Dreisbach

For more information, please visit our website: www.fh-swf.de/ISSS

Lectures

The International Summer School offers different lectures and workshops for our international student target groups. The program combines high quality studies with a wide range of cultural and leisure activities. The following subjects will be discussed with a special focus on the European economy:

- Introduction to the German Economy
- Foreign Trade and International Financial Markets
- European monetary policy
- European integration and financial policy
- Special fields of the German economy such as retail, automotive, stock market, media and engineering
- Intercultural communication

Excursions

Warsteiner brewery, Thyssen (steel production) and two more company visits to be announced.

Leisure activities

The leisure program will give students an impression of German culture and way of life.

- City tours in Soest, Cologne, Düsseldorf, Dortmund and Berlin
- Visit to Möhne lake
- Soccer, pub tour, cinema visit, climbing
- Evening program with international students from campus Soest
- Raft-building

Registration

Important dates
